Employment Verification & Experience Letter

This letter serves as formal confirmation that Mr. W.M. Hasindu Wanninayake (NIC: 200205500754) was employed at Aahaas (Pvt) Ltd as a Full Stack Software Engineer on a full-time basis from November 2025 to May 2026.

During his tenure with the company, he was actively involved in several key projects and contributed significantly to the development, integration, and deployment of AI-powered systems and web-based solutions. His responsibilities and contributions included:

1. **Hotel Rate Automation System:** Development of the website and automation workflows using n8n.
2. **Aahaas AI Travel Itinerary Generation System:** Development of AI workflows for both personalized and generic travel itinerary generation.
3. **Apple Holidays Quotation System:** Contributed to the development and system integration of the quotation platform.
4. **Aahaas Website:** Frontend development and user interface enhancements to improve user experience.
5. **Verteil Flight API Integration:** Backend integration of the flight API to streamline booking and reservation processes.
6. **Marketing Website:** Development, maintenance, and optimization of the company's marketing website.

Throughout his employment, Mr. Wanninayake consistently demonstrated professionalism, technical expertise, problem-solving ability, and dedication to his work. His knowledge in AI workflow automation, API integration, frontend and backend development, and process automation made him a valuable asset to the organization. We appreciate his contributions to Aahaas (Pvt) Ltd and wish him every success in his future endeavors.

Yours

Truly,

Managing Director
